## **AN EVENTFUL 24 HOURS FOR EDMONDS POLICE**

**Domestic Violence stabbing and arrest of three burglars keep police busy.**

**(Edmonds - WA)**

An early morning stabbing on Sunday November 20<sup>th</sup> left one man fighting for his life and his cousin under arrest for 1<sup>st</sup> Degree Assault. Around 5am Sunday, Edmonds officers responded to Swedish Hospital for a report of a male who was brought in with a stab wound. Officers found the victim, a 44-year old Edmonds resident, in critical condition as he was being treated for multiple stab wounds. After a significant amount of time trying to stabilize the victim he was transferred to Harborview medical center where he is currently in stable condition in the Intensive Care Unit. The investigation led to a residence in the 21900 block of 86<sup>th</sup> Place West. A 37-year old male was interviewed and arrested at the scene. A weapon believed to have been used was located. Detectives responded to the scene served a search warrant on the residence where additional evidence was recovered. The investigation found that the suspect and victim are family members who also reside together in the Edmonds home. The suspect was booked into the Snohomish County jail for felony assault charge with domestic violence conditions.

Less than 24 hours later in the early morning hours of Monday the 21<sup>st</sup>, Edmonds officers responded to a construction site around 2:20am. An employee for the site in the 7200 block of 212<sup>th</sup> Street SW had seen a suspect vehicle back into the location and suspects began loading property into the trunk. A responding officer found the suspect vehicle leaving the area and stopped it. Three male suspects, a twenty year-old and two eighteen year-olds, all from Lynnwood, were arrested for burglary. Nearly \$1000 in stolen property was recovered from the suspect vehicle. The investigation into this incident is ongoing and detectives will look at the suspects' potential involvement in other similar crimes in the area.
